## Sehr geehrter Kunde,

Qualität ist unser höchster Anspruch!  
Ihre Zufriedenheit ist unser Ansporn, Gutes zu verbessern.

Das erfordert eine ständige Weiterentwicklung bestehender Prozesse. Die tausendfache Vielfalt unserer Werkzeuge bedarf einer ständigen Produktpflege. In unserem Streben nach besseren Lösungen kann es vereinzelt vorkommen, dass wir ein in unseren Verkaufsunterlagen angebotenes Werkzeug nicht mehr in der bisherigen Form führen. In diesem Fall bieten wir Ihnen über unseren Fachberater „vor Ort“ ein technologisch verbessertes Folgewerkzeug an -oder eine zumindest technisch gleichwertige Alternative.

Bitte haben Sie dafür Verständnis, dass wir im Zuge unserer technischen Weiterentwicklung keine Verpflichtung zur Lieferung programmbereinigter Werkzeugtypen eingehen können, auch wenn diese noch in unseren Verkaufsunterlagen enthalten sind. Dafür garantieren wir Ihnen, Sie jederzeit mit Werkzeugen nach neuesten technologischen Erkenntnissen zu beliefern, die Ihnen Ihre Wettbewerbsfähigkeit und uns Ihre Zufriedenheit erhalten.

Ceci suppose le perfectionnement permanent des techniques utilisées. La très grande diversité de nos outils (plusieurs milliers) exige un développement constant des produits. Notre objectif de solutions optimales peut avoir pour conséquence, que, de temps à autre, un outil figurant dans nos catalogues de vente ne soit plus disponible dans sa précédente version. Dans ce cas, nous vous proposons une version techniquement supérieure par l'intermédiaire de nos spécialistes produits ou, si celle-ci n'est pas encore disponible, un outil alternatif

de qualité équivalente. Nous sommes persuadés que vous comprenez que le progrès technologique nous interdit de continuer à proposer des variétés d'outils exclues de notre programme, même si celles-ci figurent encore au catalogue. En revanche, nous vous assurons la livraison à tout moment d'outils exécutés suivant l'état de la technique le plus récent garants de votre compétitivité et de votre satisfaction.

## Gentile cliente,

Noi puntiamo sempre alla massima qualità! La sua soddisfazione ci sprona a perseguire un costante miglioramento dei nostri prodotti.

Ciò richiede un'evoluzione costante degli attuali processi. La grandissima varietà dei nostri utensili richiede una cura continua. Mentre siamo impegnati nella ricerca di soluzioni migliori può talvolta succedere che, un utensile presente nei nostri cataloghi, non sia più disponibile in quella forma. In tali casi Le offriamo tramite i nostri consulenti in loco, un utensile tecnologicamente migliore oppure un'alternativa comparabile per qualità tecniche. Il nostro sforzo nello sviluppo

tecnologico ci impedisce talvolta di far fronte all'impegno di consegnare tipi di utensili non più presenti nel programma, anche se ancora compresi nella nostra documentazione di vendita. Per questo chiediamo la Sua comprensione. In compenso Le garantiamo la consegna di utensili innovativi dal punto di vista tecnologico che, da un lato Le consentono di rimanere concorrenziale e, dall'altro, ci assicurano la soddisfazione dei nostri clienti.

## Geachte klant,

Kwaliteit is voor ons een belangrijke doelstelling!  
Uw tevredenheid is de stimulans om wat goed is, te verbeteren.

Dat vereist voortdurend ontwikkelen van bestaande processen. De grote verscheidenheid van onze producten maakt het noodzakelijk ons aanbod steeds te optimaliseren en af te stemmen op de markt. In ons streven naar betere oplossingen kan het incidenteel voorkomen dat we gereedschappen in onze verkoopdocumentatie aanbieden, die wij niet meer in de bekende vorm beschikbaar hebben. In dat geval bieden wij u via ons lokale technische team een technisch verbeterd gereedschap aan of tenminste een technisch

gelijkwaardig alternatief. Wij hopen dat u begrijpt dat wij in het kader van onze voortdurende technische ontwikkeling, geen verplichting kunnen aangaan voor het leveren van gereedschappen die uit het programma zijn genomen, ook wanneer deze nog in onze verkoopdocumentatie voorkomen. Wij garanderen echter wel dat we u steeds gereedschap leveren volgens de nieuwste technologische inzichten, die uw concurrentiepositie en uw tevredenheid waarborgen.
